EDUCATION

P.P.J Saraswati Vihar Nainital <i>Secondary High School</i>	2018 - 2021 Nainital
Dyal Singh College, University of Delhi <i>Bachelor of Science in Mathematics (Hons)</i> <ul style="list-style-type: none">• Minor: Computer Science• Relevant Coursework: Applied Mathematics, Discrete Mathematics and Introduction to Python.	June 2024 Delhi

SUMMARY

Dedicated Mathematics and Computer Science student skilled in Python, currently learning C++. Strong grasp of calculus and discrete mathematics. Practical experience in Python applications. Seeking opportunities to apply analytical skills and technical expertise to solve challenges.

PROJECTS

Simple Attendance Tracker | Python

- Developed an automated attendance reminder system for college students. Utilized Python to send attendance data to student's Gmail accounts, ensuring timely updates on missed lectures.
- Applied programming and problem-solving skills to enhance student engagement and attendance tracking.

Tic-Tac-Toe | Python

- Developed a strategic tic-tac-toe game in Python, consistently achieving victories through effective gameplay and programming skills.

Identical Pdf Checker | Python

- Created a PDF comparison tool in Python to distinguish between identical and unwanted files, streamlining file management and optimizing storage efficiency on laptops.
